HOW DO I PREPARE FOR PSAT?

The best way to prepare for the PSAT is to take one of our SAT prep programs and to take a few practice PSAT near the test date (B2A provides unlimited practice tests).

PSAT is simply a shorter, and slightly easier, version of the SAT, so studying for SAT will help you ace both SAT and PSAT!

SHOULD I TAKE THE SAT OR ACT?

Colleges do not prefer one test to another, and they are equally valid for college admissions. They cover similar topics but SAT is trickier while ACT is more time-restrained.

Take an SAT and ACT diagnostic tests to compare your scores on the two exams! Then choose the test you feel more comfortable with and can score higher on.

WHAT DO I NEED TO PREPARE FOR COLLEGE?

Colleges select students based on a holistic review which includes evaluating your GPA, SAT or ACT score, AP/IB Exam scores, extracurricular activities and achievements/awards.

Basically, do your best academically, choose activities helpful for your intended major, and book a complimentary 1:1 consultation with one of our Directors to get personalized advice.

WHICH B2A PROGRAMS ARE RIGHT FOR ME?

At B2A, we have a highly personalized approach.

Schedule your free diagnostic test and consultation today, and we will not only make program suggestions based on your student's unique needs, but we will also assess your profile to advise you on how to best prepare for college admissions.

ASHNA SHAH Rice University

"Berkeley2 Academy was an incredible tool in guiding me in writing my essays. Their writing tips pushed me to search what qualities defined me and integrate these qualities throughout my essays and stories. With one-on-one mentorship, I felt comfortable with diving deep into my stories to write my essays and receiving constructive criticism. They showed me how to tie together my experiences and passions in a way that showed colleges exactly who I was in a unique way. Their organized schedule made sure I stayed on task and worked efficiently, and they provided many resources to support me."

JASON ZHAO Stanford University

"One of the reasons I loved B2A's Gateway program was that it offered me a counselor who worked with me one-on-one, learned my personality, and guided (though never forced) me through the application process. My counselor knew me well enough to tell me that certain phrases in my essays "weren't Jason," or that I needed to add a certain "Jason touch" to a paragraph or two."

GLORIA SU

Admitted to 5 out of 8 lvy League schools, including Harvard!

"Berkeley2 Academy has the wealth of resource. Through a little push, I increased my SAT scores allowing me to have a greater change in being admitted to the lvies. The counselors also helped me to be productive and to be on top of things, which was really helpful."

LIAM FERREIRA Baylor-Baylor BSMD

"I really appreciate the instruction I received from the teachers at Berkeley2 Academy. The SAT prep classes, tutoring, and advice helped me in the college application process. I would recommend Berkeley2 Academy to students who want to achieve their academic goals."
